## Biome Project

My Biome: \_\_\_\_\_

You will be researching a specific biome. The information you collect will be used to create a poster, pamphlet, or slideshow presentation. You will be presenting this information to the class at the completion of this project. You may work with a partner and you will have class time to work on it.

### Required Information to include:

1. The name of your biome
2. A map of where your biome is located on Earth
3. Biome characteristics (climate, average temperature, precipitation, seasons etc.)
4. Types of plants found in your biome (producers)
5. Types of animals found in this biome (all types of consumers)
6. Threats to your biome (human caused? natural?)
7. Interesting places to visit in your biome (major cities? nature preserves?)
8. Pictures (color printed or hand drawn)
9. At least 3 References (works cited)
